## **NEW PATIENT INTAKE FORM INSTRUCTIONS**

### **1. Please complete pages 1 through 5 completely and legibly.**

If you downloaded the forms on your computer at home the forms can be filled electronically by entering your answers via the keyboard. When completed the form can then be printed and signed by hand.

If you are completing the forms entirely by hand, please use a blue or black pen and print neatly.

Pages 1 and 2 save time by collecting basic needed demographic information about the patient and person responsible for the account. Pages 3-5 collect information about the patient's complaint or health problems (if any) and health history.

### **2. Review your answers to be sure you've completely and accurately answered all questions; then read and sign the bottom of page 5.**

### **3. Read and sign the document entitled "Brown Chiropractic Financial Policy"**

### **4. Drop the documents off at our office prior to your first appointment, or bring them with you on your first visit.**

We cannot begin care until these documents are completed and signed. If you don't bring the completed documents at the time of your first visit you will be required to fill the forms out at that time or be asked to reschedule your appointment.

In today's hectic world we know how valuable your time is. Offering these forms for completion in the comfort of your own home, at your pace, at your convenience is just one of many ways we put *convenience and patient satisfaction first* at Brown Chiropractic! Thanks, and best wishes for a healthy and happy day!
